knight light shines . . .

with a purpose

Pelican State delegates Gerry McGee and Beverly Davis remembered good times from summer camp.

The Knight Light cast its beam on every person at the Castle, reflecting a shining spirit and a winning tradition. Striving to increase knowledge and to achieve goals also brightened one's year at Woodlawn.

While walking in this light, a student learned to cope with many burdens as he strove toward better education. These experiences prepared him for the challenges of the future.

Coach Ludley, Stanley Procell, Mike Magee, and Coach Ivy anxiously watched the extra-point attempt.

Serving as Sir Knight, James Young was an important part of the spirit.

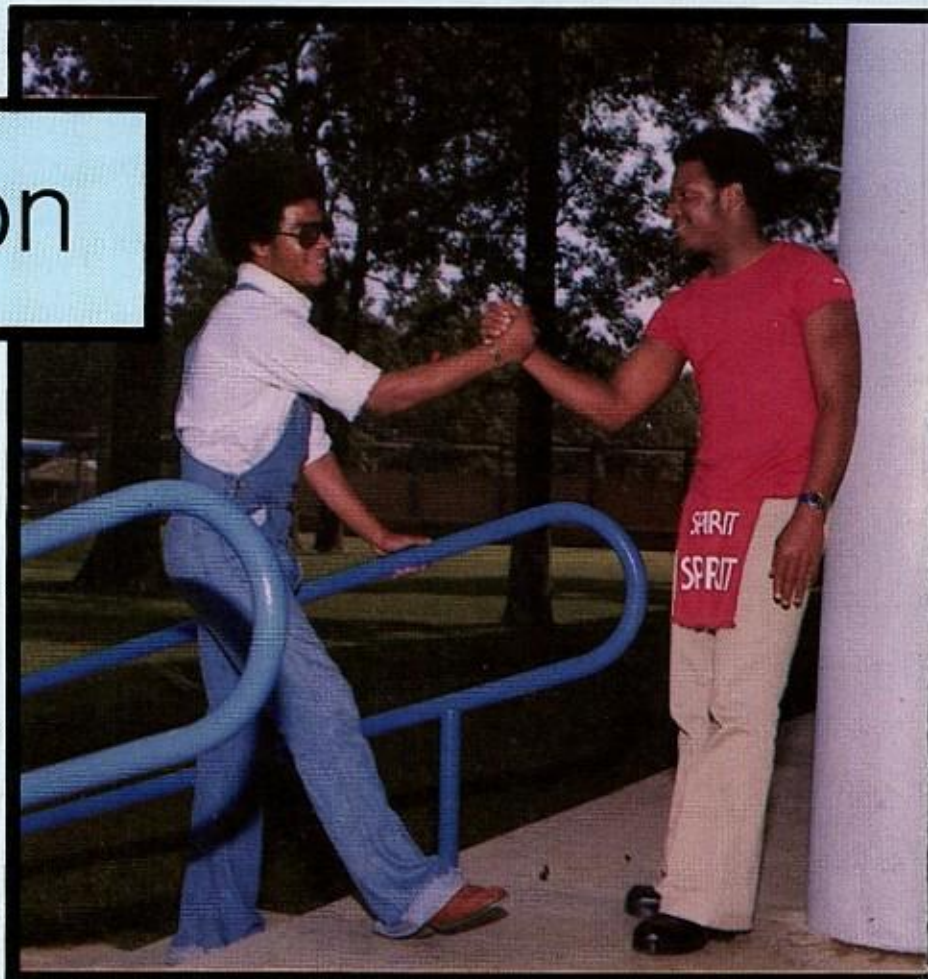

The ROTC Color Guard presented the flag at all home games.

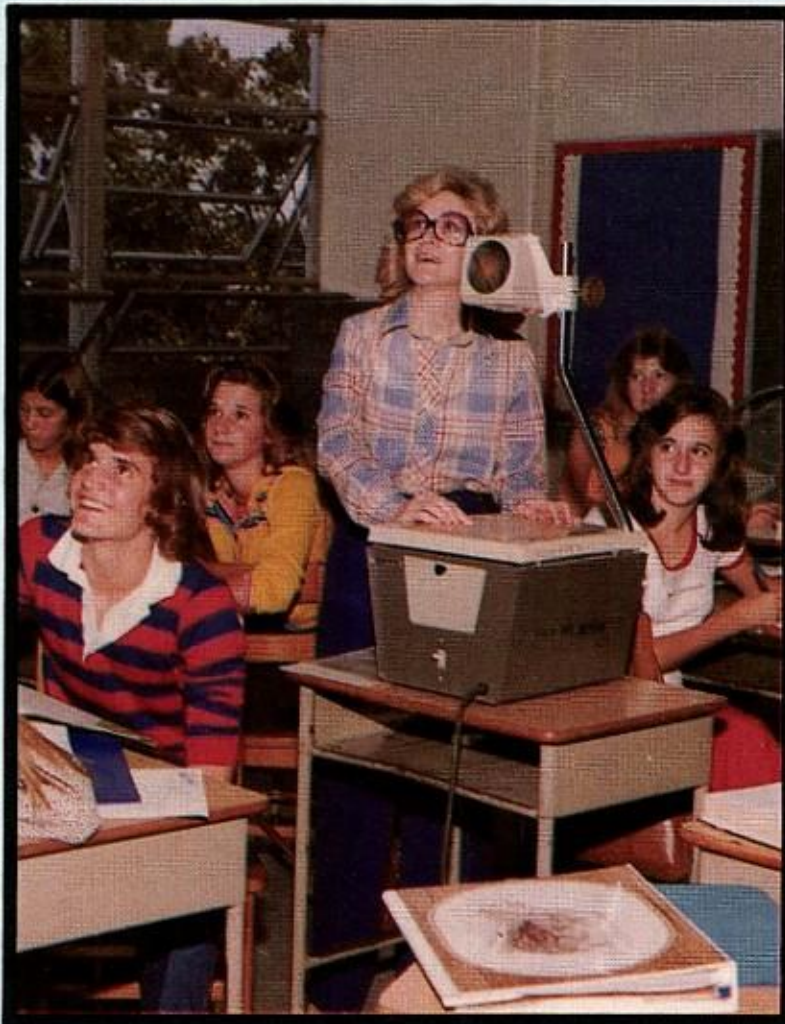

While supervising the Castle activities, Principal Gerald Moss assisted senior Marcella Coleman.

september reunion

Seniors Leroy Beck and Lue Youngblood greeted each other the opening day of school.

After a summer vacation Miss Cole returned to her English III classroom.

Freshmen Mhonda and Rhonda Wall found that with a little practice opening a locker was easy.

For Linda Singer and Adrian McPhail, a school bus ride began the school day.

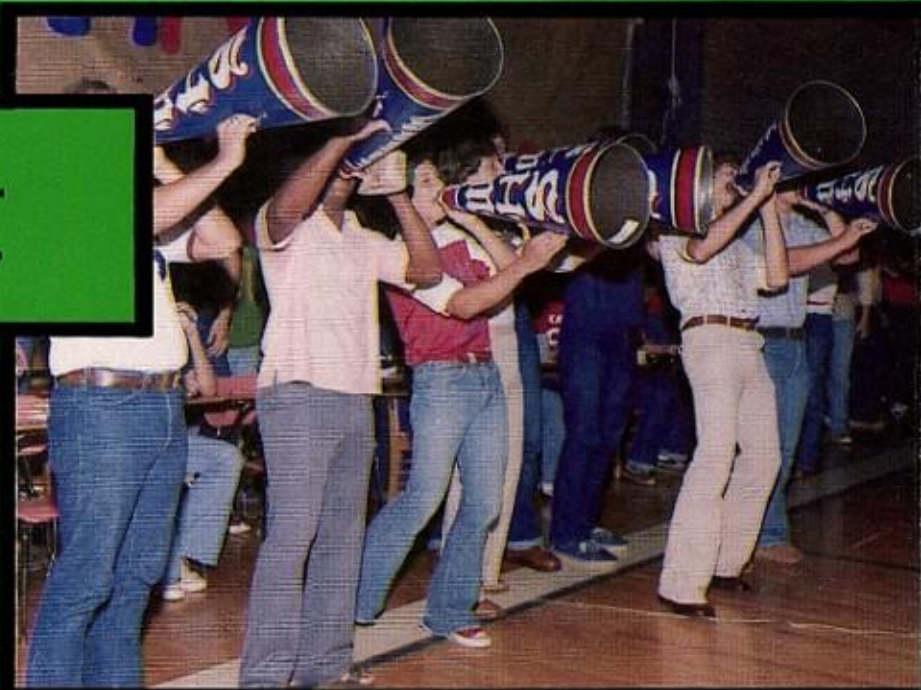

September marked the beginning of the 1977-78 school year at Woodlawn. After a summer of various workshops and activities, club participants returned to school with a feeling of accomplishment along with many honors.

The first days of registration were examples of mass confusion. Apprehensive freshmen could be seen looking for their classes, while the returning students began making new friends and renewing old acquaintances. Because of the new dress code, the fashions on campus changed. This year, for the first time, girls were permitted to wear pants.

Teachers looked forward to visiting and relaxing in the lounge.

shining spirit

The football players, along with the student body, yelled the battle cry.

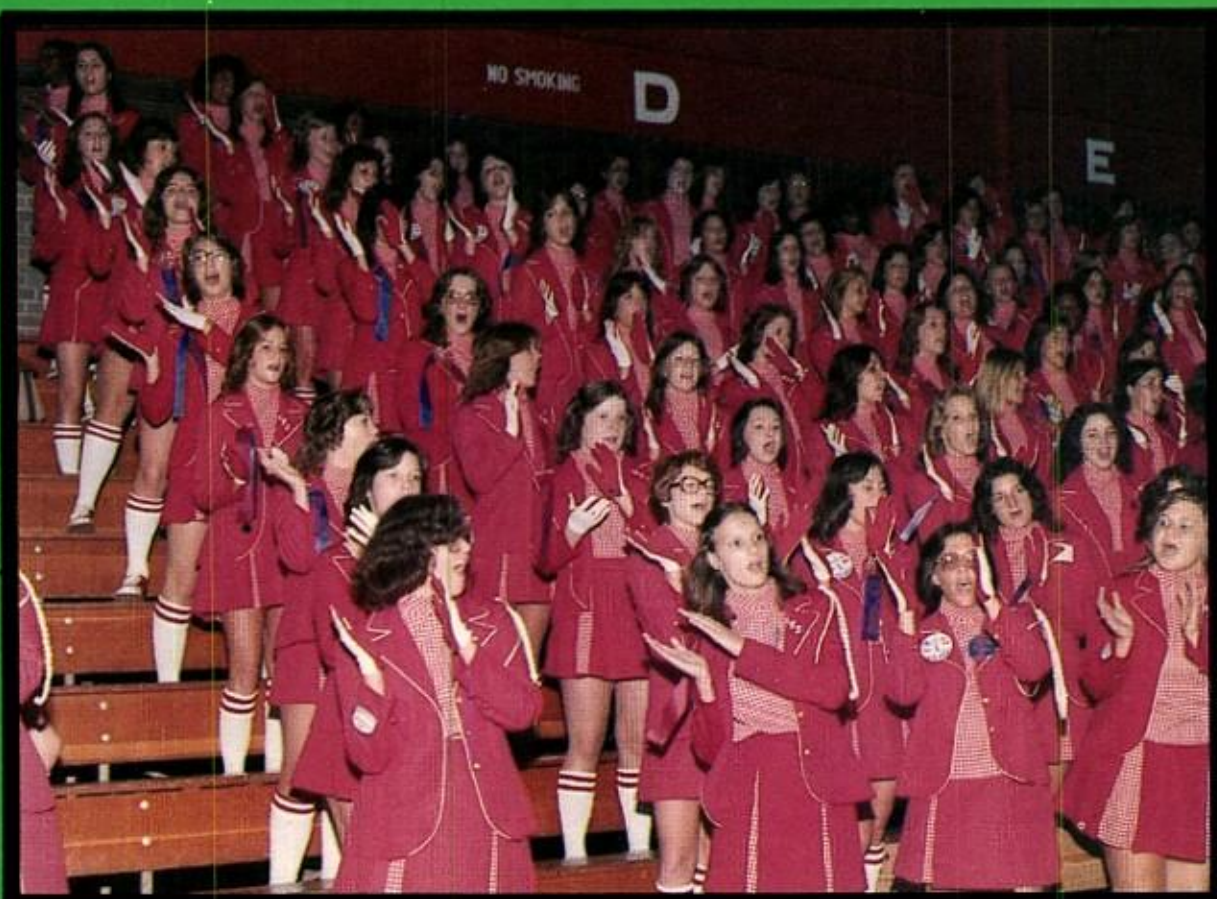

Donna Garcie proudly wore her favorite football player's tag.

Loyal fans supported the football team by attending games and cheered the team to victory.

Painting and hanging posters kept our cheerleaders busy.

Group efforts of the 170 Lancerettes kept spirit alive.

Continuing the Woodlawn tradition, everyone at the Castle became a part of the shining spirit. Many participated in the spirit groups which included the cheerleaders, pep squad, Red Line, band, Rifle Line, and Flag Line.

"The Knights are Back" was the spirit theme for the year. This thought was expressed through posters, cheers, buttons, tee-shirts, hats, and the actions of a WHS Knight after a winning game.

Inner attitudes were expressed by the prayer of the Red Line before each performance.

winning tradition

Under the direction of new band director Mr. Scarlato, the band performed at home games.

James Young, Teri Smith, and Kelly Lemley kept the spirit high at pep rallies.

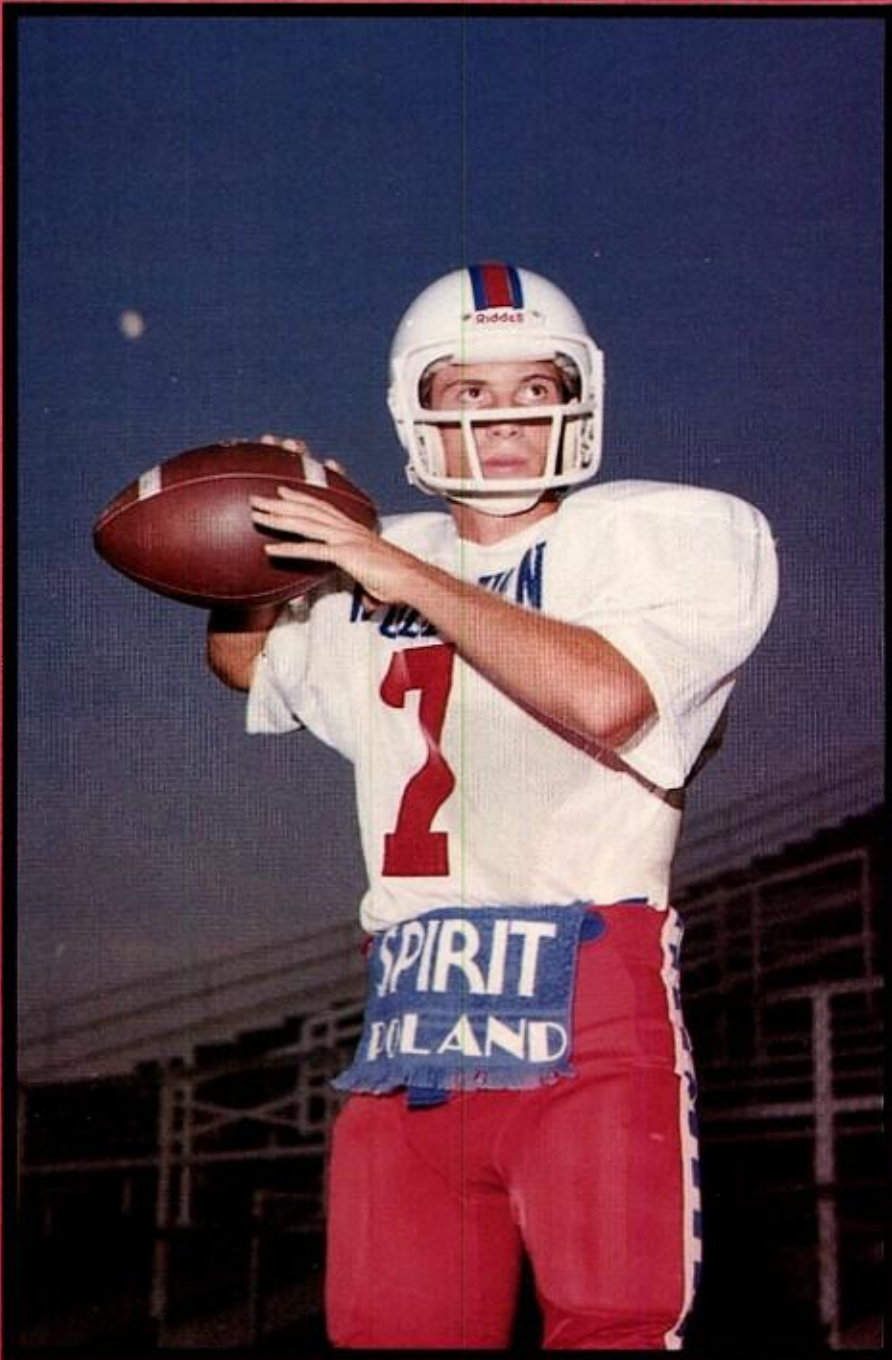

Red Line leaders Julie Kern, Linda Larson, and Tina Alexander found time to visit between practices.

Sideline excitement was shown when Knights made the winning touchdown.

Lancerette's top four, Aimee Key, Sara Howell, Carol Mitchell, and Karen Posey, with sponsor Mrs. Smith repeated the tradition of winning at SMU.

Rodney Poland joined the list of successful Knight quarterbacks.

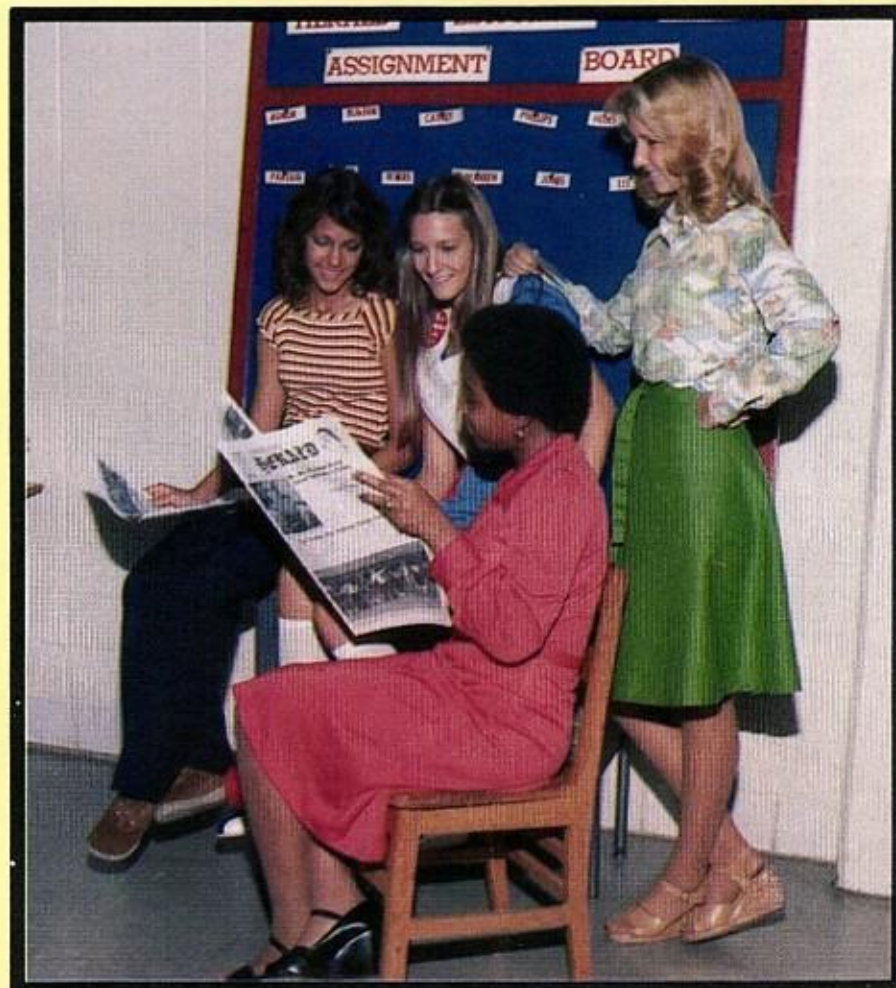

One of the inborn traits of a Knight is winning. It was the goal of every student and teacher of WHS.

Winning played a major part in Woodlawn's heritage. This enduring tradition was upheld throughout the school year.

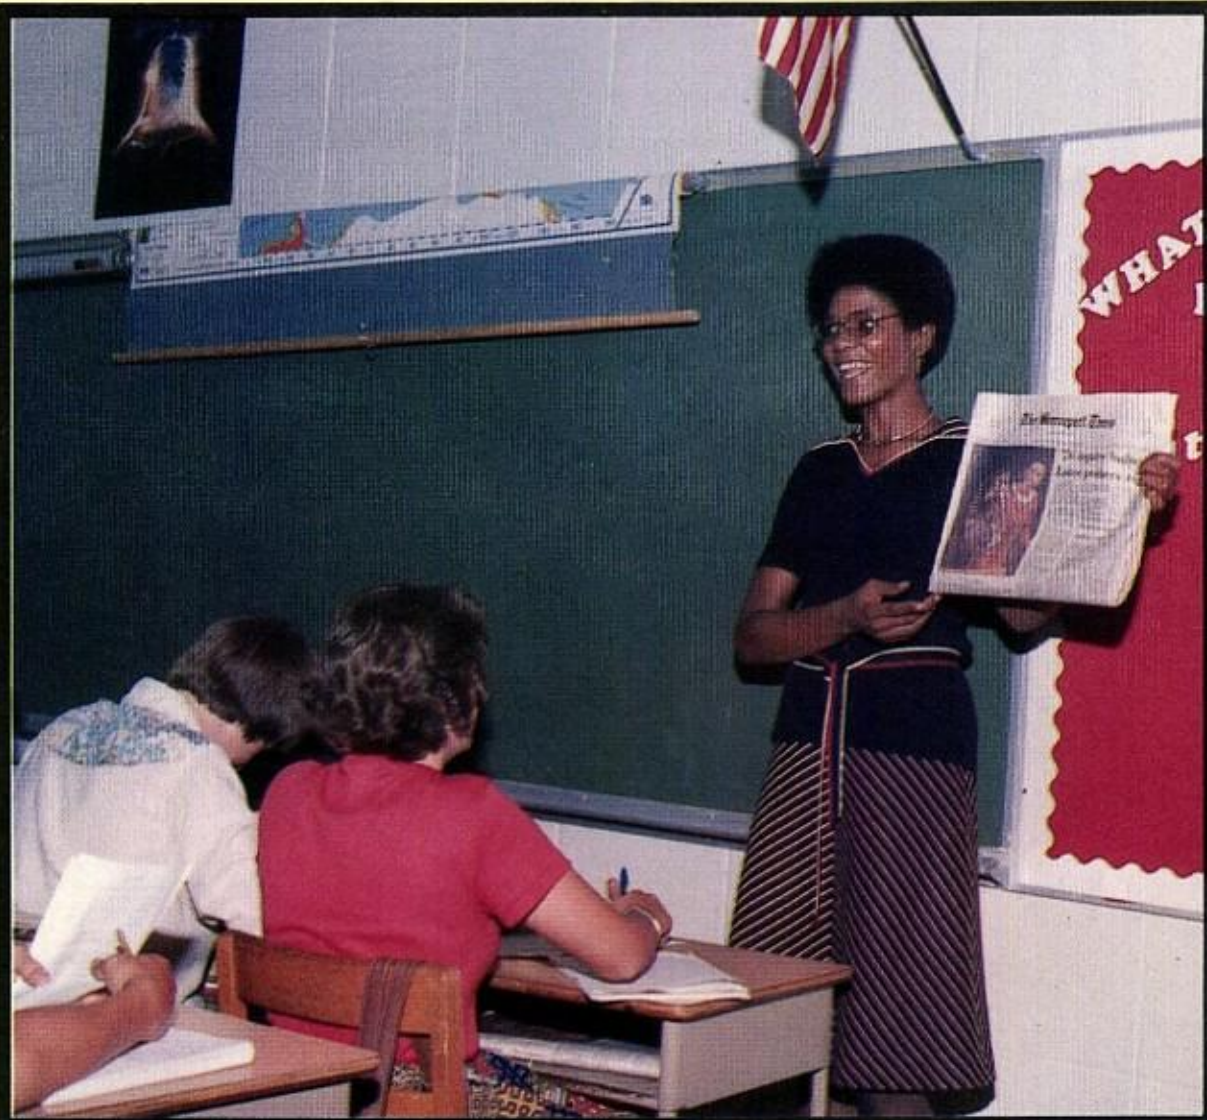

Although the students did not succeed in everything they attempted, they were all winners by experiencing the qualities of a true Knight.

Martha McGuire, Stephen Boswell, and Joey Maranto found the library a pleasant place for studying.

HERALD editors Julie Kern, Sandra Heins, Lisa Burden, and Susan Myers were involved with staff activities.

Blending the hint of the future with the past became a goal for Mrs. Farmer in teaching her American History and Civics classes.

increasing knowledge

Freshman Darren Warren found a faster route to class.

NHS officers carried on the Woodlawn tradition by lighting the candle of knowledge at the induction ceremony.

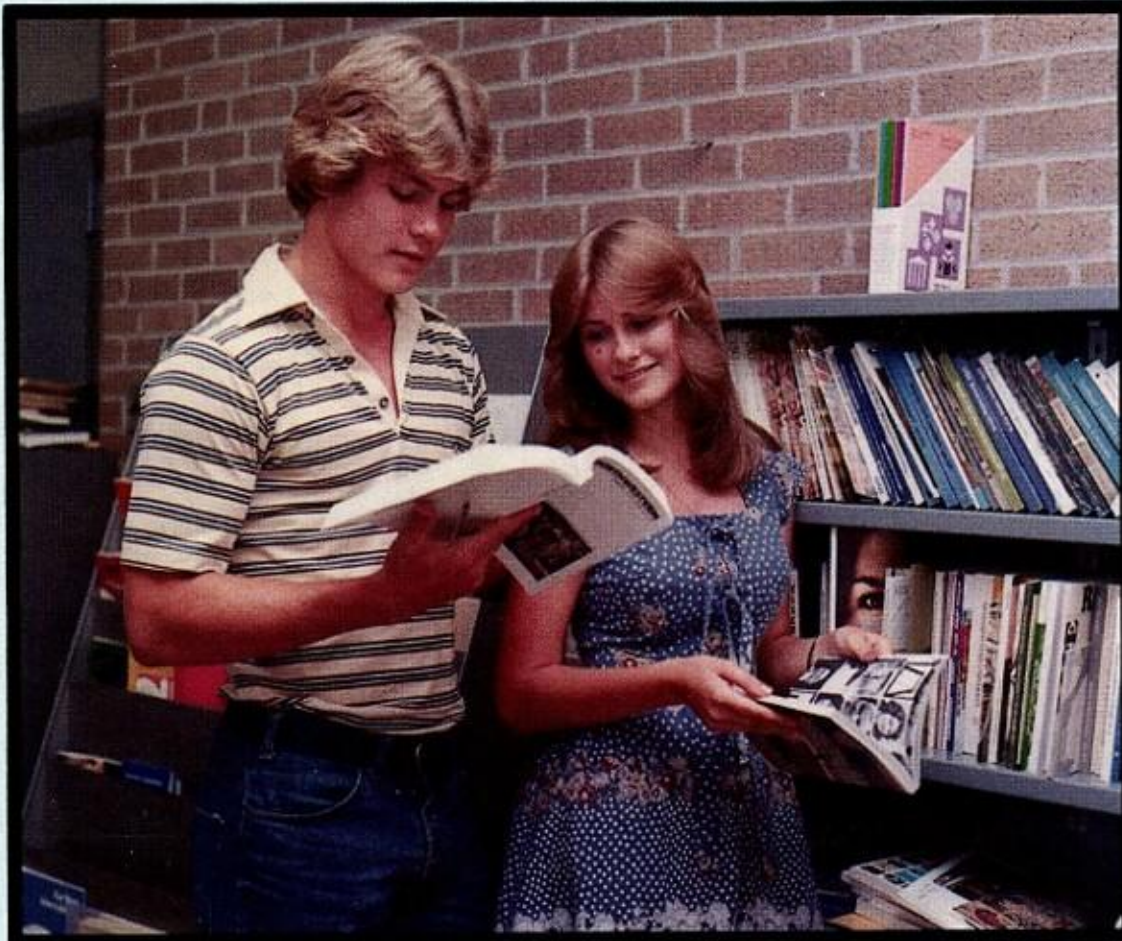

Mrs. Bolding unlocked the door of knowledge through educational materials.

A quest for knowledge is one of the objectives of Knighthood. This quest was exemplified by the students as they sought out individual accomplishments through learning and developed creative skills through practice.

A straight A report card was the goal of many.

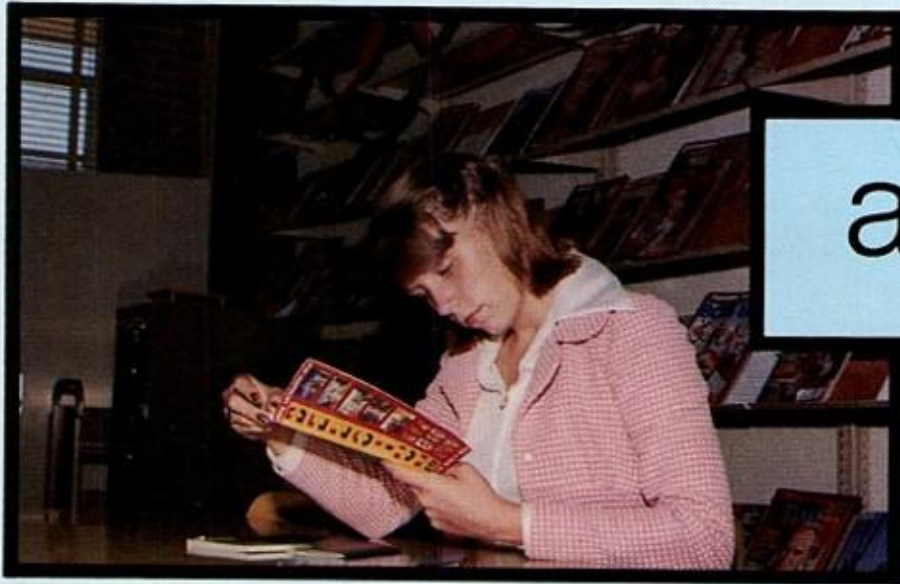

Deciding which college to attend was a major task for seniors Darryl Glass and Diane Doughty.

Linda Larson, escorted by her father, was crowned Homecoming Queen for 1977.

Stanley Procell, Lue Youngblood, Don Paul Crnkovic, James McDearmont, and

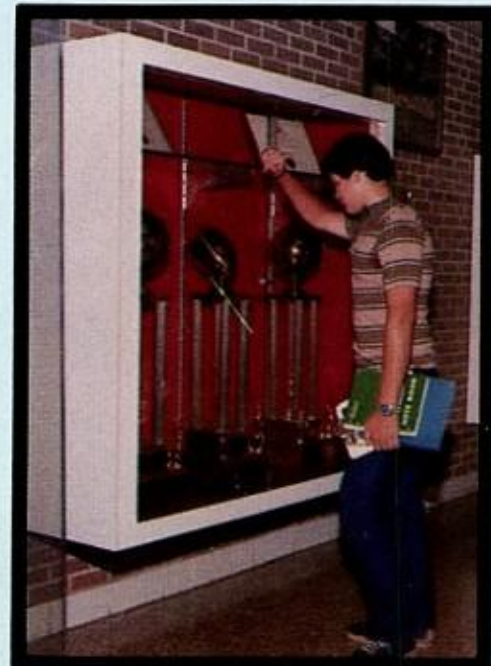

achieving goals

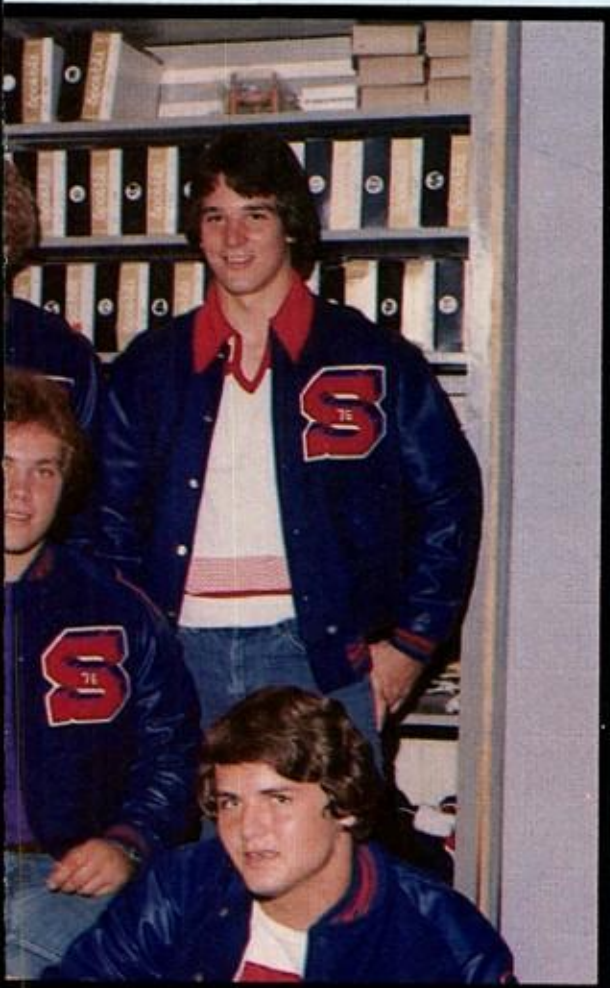

Noel Mason enjoyed a trip to Belgium during the summer through the program called CODOFIL.

Throughout the year, each member of the Castle's student body was fulfilling his own dreams, wishes, and goals. Realizing the importance of his high school years, he worked to his greatest capacity.

For the future, the underclassmen pondered other good times they would have at Woodlawn while the graduates were thinking of attending college or pursuing a career.

Paul Moreau remembered past achievements.

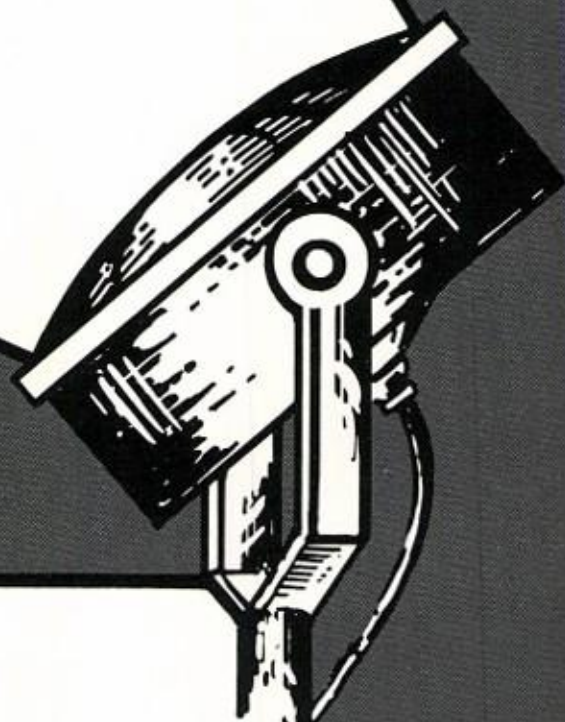

Thornton, Marty Moss, Jimmy Blackwell, James Meyers were proud lettermen.

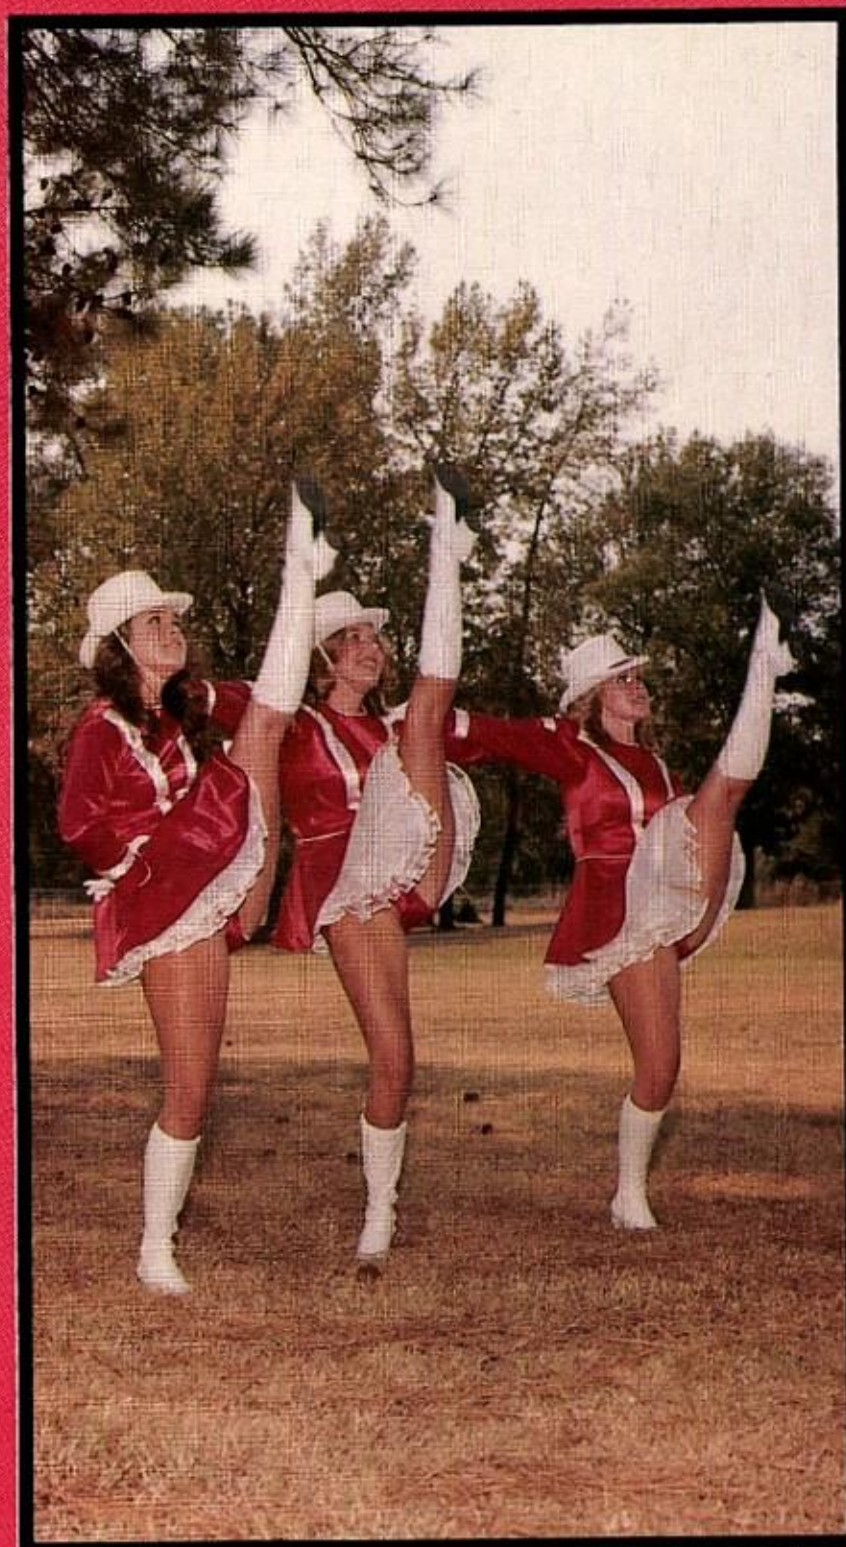

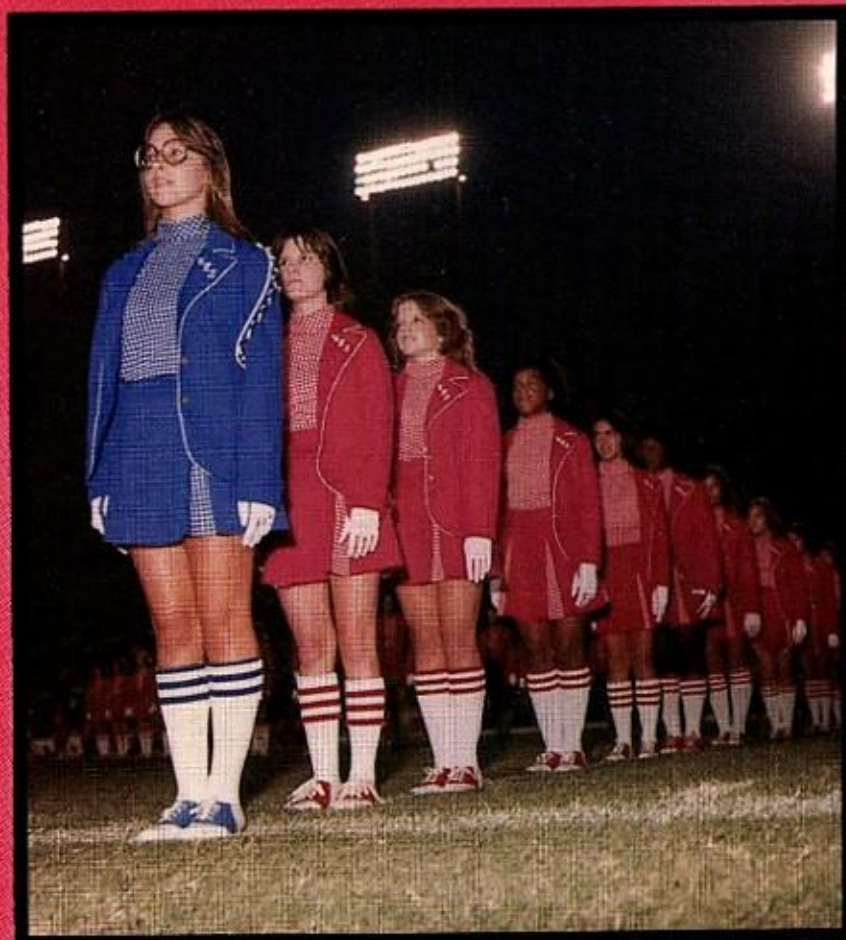

Ricky Terry served as the first Corps Commander in Caddo Parish.

As always, Castle Spirit made its presence known. The cheerleaders, pep squad, Red Line, band, and various organizations all displayed spirit worthy of Knights. As the twelfth man on the WHS team, the Knights never failed to turn out to cheer their team on. This was just *another* area in which the Knight Light continued to shine with a purpose — showing spirit for the Knights.

Twelfth-Man Spirit Shines Over Knights

Hard work was a large part of Knight Spirit. Pep squad officers and drummers attended SMU for summer camp, winning second place with their drill. All Lancerettes practiced during August under the watchful eye of Mrs. Carolyn Smith.

Red Line attended the United Spirit Association Camp, winning first place and bringing home 126 ribbons, 104 superior and 22 excellent. This delighted their sponsor, Mrs. Dot Willis.

The cheerleaders returned from SMU with six ribbons, three blue, one red, one white, and a Superstar Squad Ribbon. Assisted by their sponsor, Mrs. Carole Henderson, they also sold spirit items.

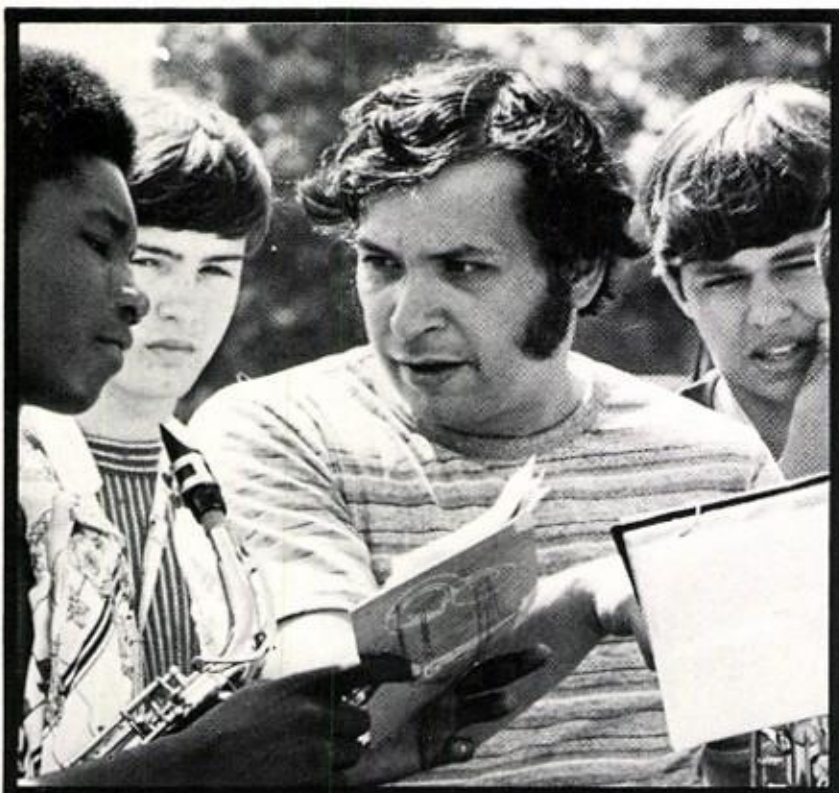

With only two weeks of summer practice, the band and their new director, Mr. Scarlato, performed at the football games. Members attended various contests and also provided the school with a student directory.

While many received only personal satisfaction from their accomplishments, some had the achievement of their goals recognized by others. This recognition proved to be a rewarding experience and served as incentive for greater effort. The recipients of these honors demonstrated that the Knight Light shines and will continue to shine, lighting the way for greater achievement.

BIG RED

WHS 21 Shreve 19

Woodlawn opened its season like a winner with a 21-19 victory over the cross-town rival, Captain Shreve. The offense took up where they had left off last year with a devastating passing attack. Rodney Poland passed for a total of 253 yards.

WHS 13 Istrouma 27

Baton Rouge's Istrouma Indians handed the Knights their first loss of the season 27-13. Although the Knights dominated the stats, they were plagued by numerous turnovers. The passing attack fell to a slump when the Indians intercepted 6 out of the 25 attempted.

WHS 42 Ouachita 28

Woodlawn boosted themselves to a 2-1 record with a 42-28 victory over the Lions of Monroe. The offense controlled most of the game with a steady but balanced running, passing attack. The game was close until the final minutes when the Knights' final surge put away the Lions.

WHS 19 Barbe 0

Traveling to Lake Charles, the Knights shut out the Barbe Buccaneers 19-0. The offense seemed to sputter a bit in the first half with only 6 points, while the defense held strong while in Buccaneer territory. In the second half the offense picked up by moving the ball and scoring 11 more points.

WHS 21 ASH 0

Woodlawn upped its season to a 4-1 record by defeating Alexandria Senior High School 21-0 on Ash's home ground. The Knights had no trouble moving the ball with a crushing ground game of 239 yards. The defense stopped the Trojans offense for their second straight shut-out.

WHS 35 Fair Park 15

Playing like real Knights in the second half, Woodlawn came back after halftime to defeat the Fair Park Indians 35-15. Tied at the half, 15-15, the Big Red defense held Fair Park scoreless, while the Knight offense ran up the score with three touchdowns in the third quarter to secure their first district victory.

WHS 13 Huntington 13

Knights lost a heartbreaker to the Raiders of Huntington in a triple overtime. The game was close all night. The Raiders scored first in a blocked punt, but the Knights came right back. This marked the first homecoming loss in Woodlawn's 18-year history.

WHS 48 BTW 8

WHS's offensive and defensive forces pulled together in a real team effort to engulf the Lions in an outstanding comeback victory 48-8. Setting up the offense in good field position time and time again, the defense held BTW to 140 yards while the Knights put together 333 yards.

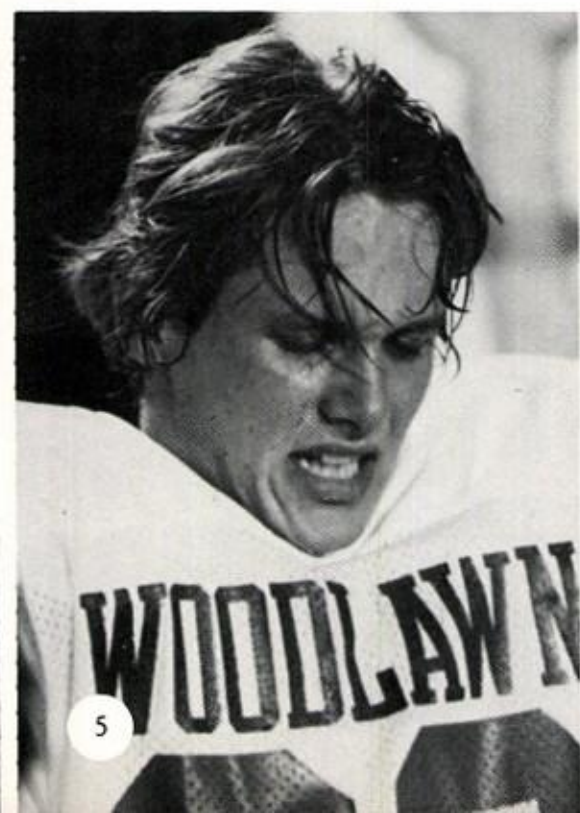

WHS 13 Byrd 14

The Knights lost a close but good game to the Yellow Jackets of Byrd 14-13. Woodlawn played well offensively and defensively but came up short when a two-point conversion failed.

WHS 7 Southwood 21

Big Red lost its last regular season game of the year to arch rival Southwood by a score of 21-7. The Knights never got started and the offense and defense performed below par all night. The only score was a 27-yard pass from Rodney Poland to Marty Moss.

Knight Devotion Pays Off in Playoffs

WHS 21 Shreve 14

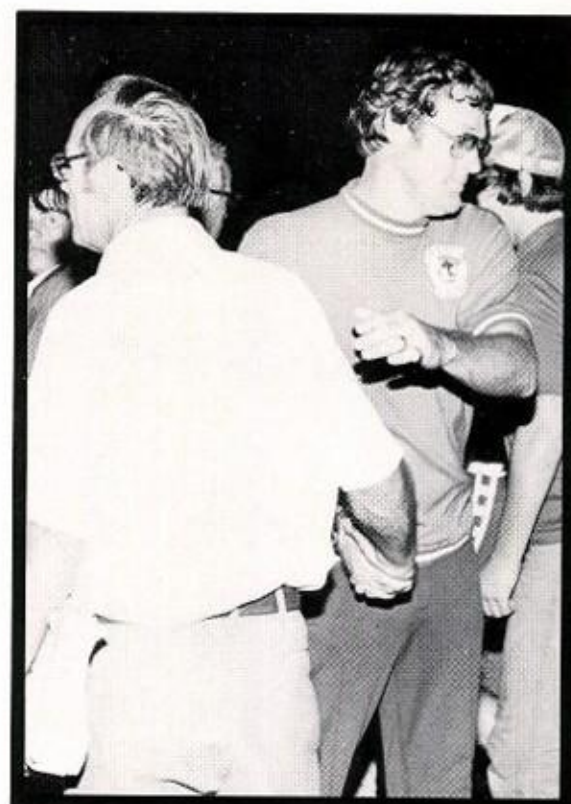

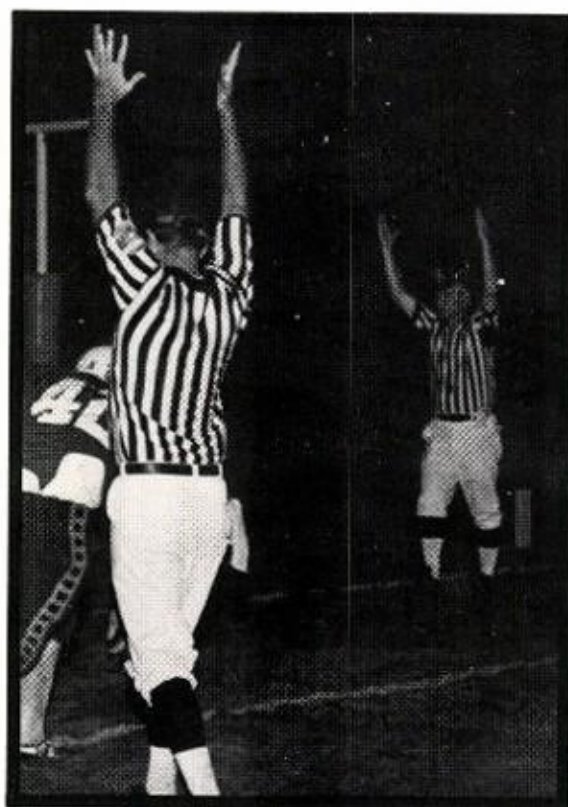

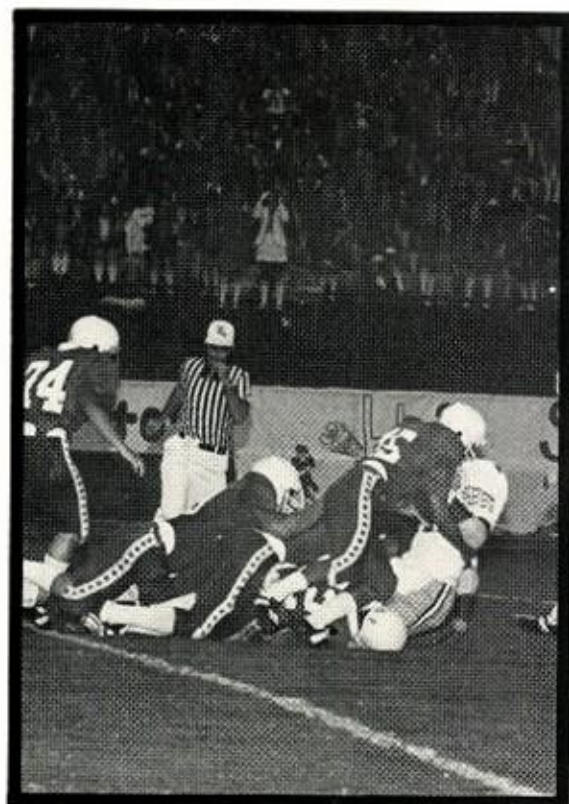

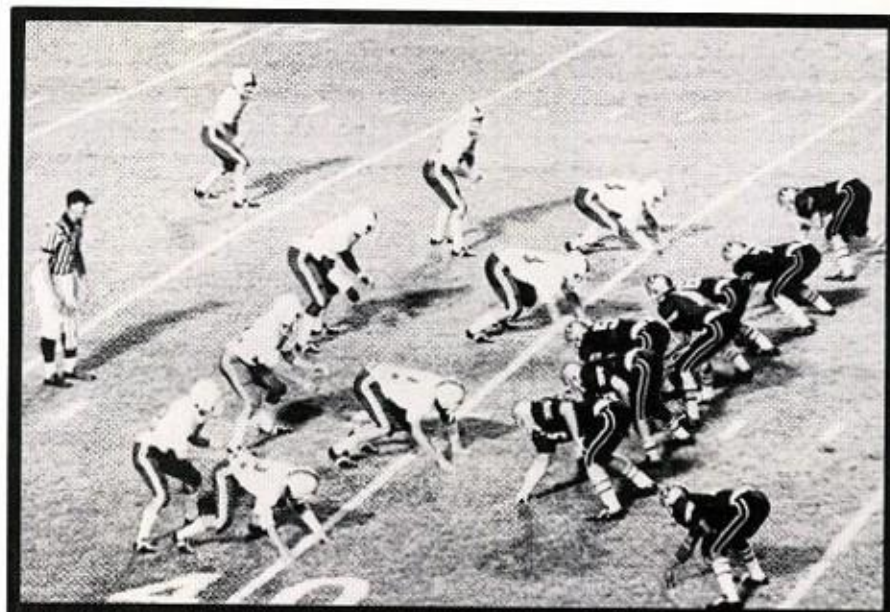

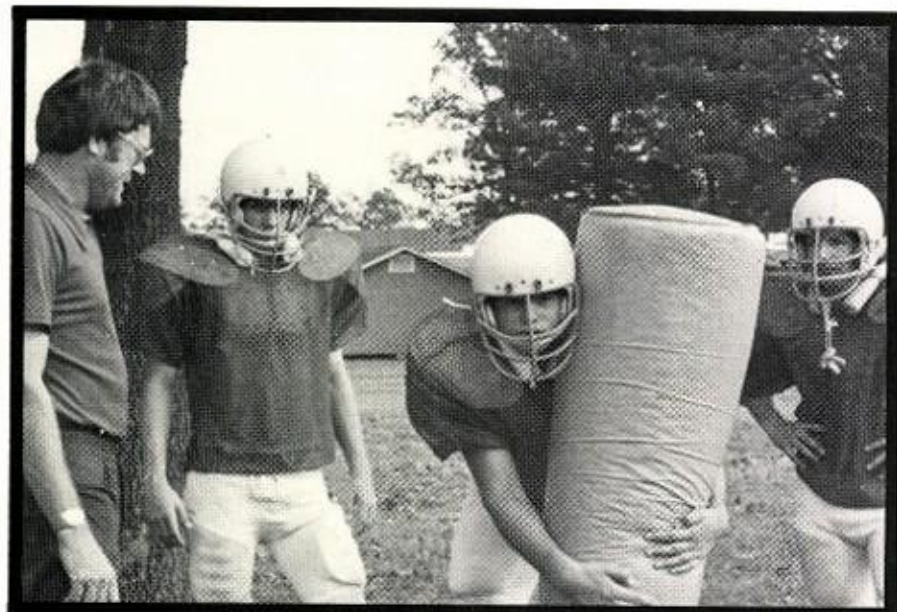

WHS 14 Bastrop 7

WHS 7 Acadiana 18

Not enough could be said about the defensive football game furnished by Woodlawn in their first playoff decision by again beating Shreve 21-14. Mike Cantley and Marty Moss both ran fumbles back for touchdowns while the offense mustered only one. A true team effort lifted the Knights above the Gators for the second time this season.

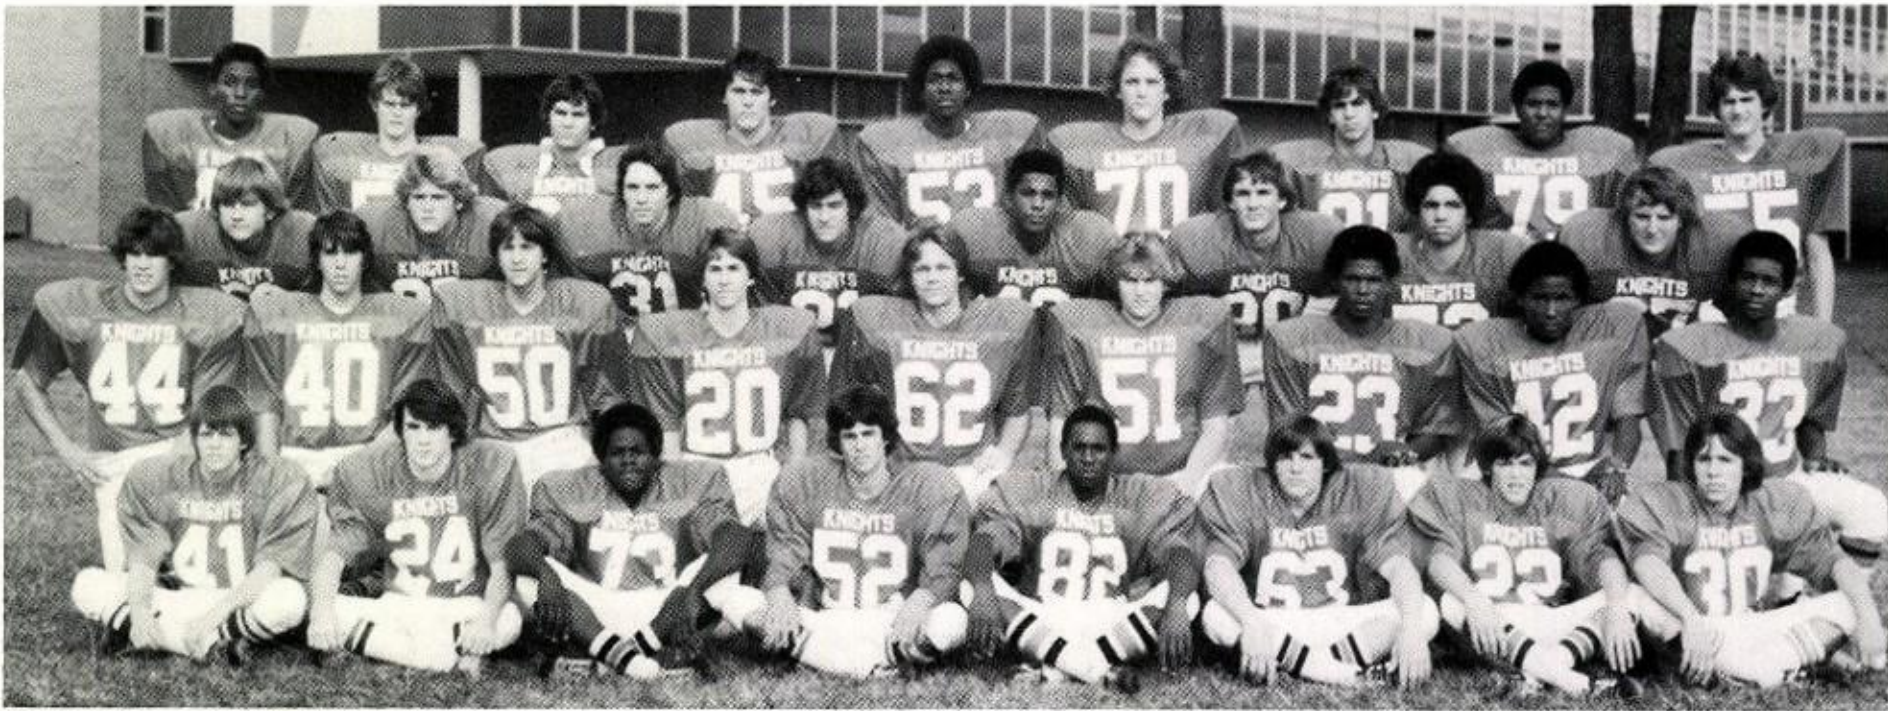

Woodlawn pulled off another victory against the tough Bastrop Rams 14-7 the Friday after Thanksgiving. With Lue Youngblood scoring from 50 yards out on the first play, the Knight spirit was rekindled. Another fine night by the Big Red defense boosted WHS to the AAAA state quarter finals for the second straight year under Coach Lowell Morrison.

December 2 was a long night at Shreve Stadium as the Wrecking Rams of Acadiana stalled the Knights 18-7. Woodlawn never got started offensively or defensively, the Knights' touchdown coming on the sole 55-yard drive. The Rams were extremely quick and well-executed team, putting together 289 yards total offense.

and shooting attack. Woodlawn was able to score on their opponents with high percentage shooting. Opening up the season with the Woodlawn Tournament, the Knights showed their superior discipline and their on-the-court togetherness to take first place. The team finished the season with a lot of spirit and experience, but most of all a lot of wins.

WHS Adds Lady's Touch to the Game

Assisting the girls' team are Mrs. Morgan, coach; Rene McGraw, manager, Stacy Anderson, manager, Mrs. Tuggle, coach.

The 1978 year brought an added attraction to the WHS athletic program. For the first time Woodlawn had a girls' basketball team.

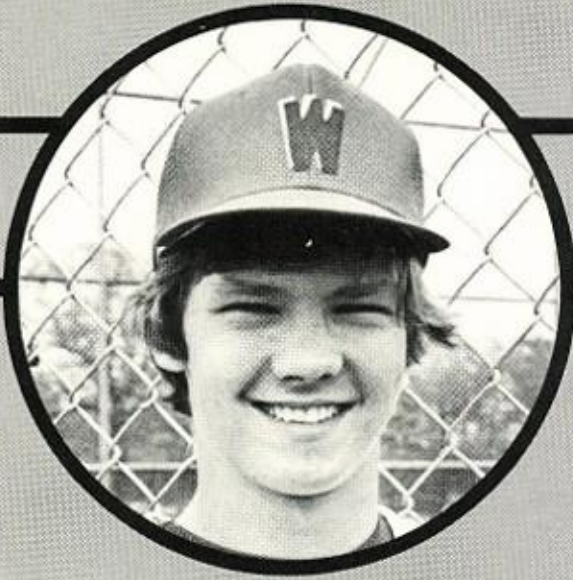

In spite of a late start, the girls put on a fine show of courage and effort. The first girls' team coaches were Mrs. Carol Morgan and Mrs. Elizabeth Tuggle. These ladies gave much time and effort to improve our lady basketballers.

Although size and speed were a little less developed on the girls' team, excitement was no less evident. The girls played with the same rules and regulations as the boys, which was no easy task. Despite their first record, the girls will be back next year to represent the Knights.

Maintaining the high level of involvement that signifies Knighthood, the people at WHS committed themselves to worthwhile goals and set out with unmatched zeal to achieve them. They recognized themselves as members of a community and strove for improvement. Many of the activities at school reached beyond the walls of the Castle, bringing the student in contact with the pressing needs of his community. Through his actions, the involved student served as further proof that the Knight Light shines with a purpose.

Student Council Stays Involved

Behind this year's Student Council activities was the theme involvement. Our goal was to become a vital force in most areas of student life by having every student participate in some way.

In striving to live up to our theme, the annual duties such as student I.D.'s, parking stickers, holding elections, and operating the school store were performed. New projects were the Spirit Chain contest, giving the teachers a Christmas luncheon, the Spirit Notebook, selling buttons, and collecting clothes and food for a needy family at Christmas.

So much time and thought goes into the Council's activities that I would like to take this opportunity to thank the major contributors of these two very necessary commodities — Mrs. Martha Ellis, our sponsor, and the officers.

Codac Pushes 'No' Dope

CODAC counselors provided leadership and instruction in drug education for pupils in the fourth and fifth year levels at Atkins, Caddo Heights, 81st Street, Hollywood, and Sunset Elementary Schools.

Teen counselors were capable, articulate students who assumed a major responsibility in the Community Organization for Drug Abuse Control. Miss Jo Giddens was the new "Dope Stop" Director.

Mrs. Mildred Pugh, assistant principal, and Mr. John Gilliam, freshman counselor, were our faculty advisors. A good school record was a prerequisite for membership consideration.

Ad Staff Tries New Style

ACCOLADE Ad and Circulation Staff members spent much of the summer contacting local businessmen in order to sell ads to finance this issue of the yearbook. Our work did not end after the summer months. During the school year we sold yearbooks and took care of the financial activities of the ACCOLADE.

Highlighting our year was the annual Publications Banquet and the arrival of this 1978 ACCOLADE.

Seniors Make the Most of Final Year on Herald

Acquiring the honor of "Best High School Newspaper" in the Ark-La-Tex for the past four years, the HERALD staff has worked diligently this year to produce another award-winning publication.

Attaining top awards from the NSPA and SIPA in the past, we were honored this fall at the LSPA Conference with four awards.

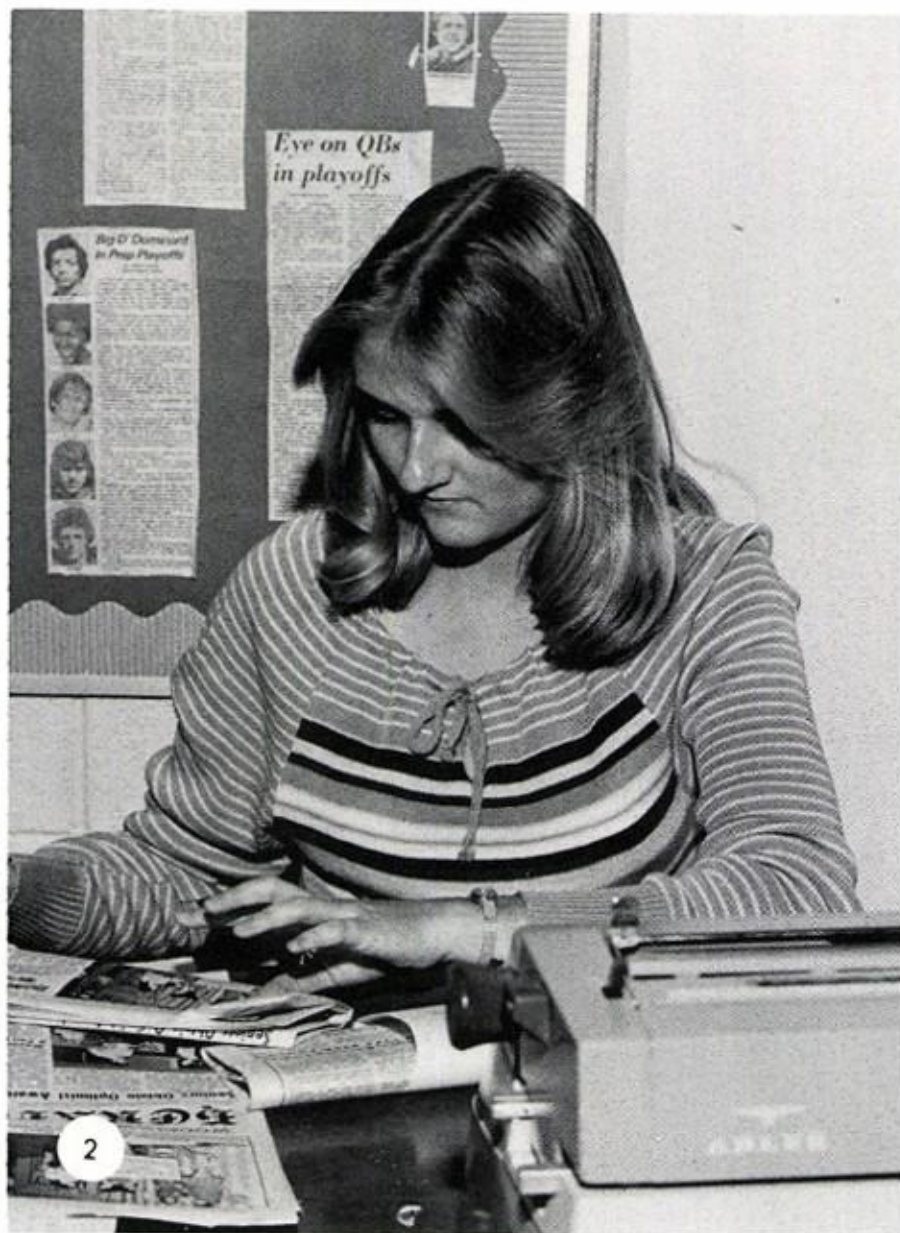

This year several staff members traveled to the SIPA Convention where Ms. Henderson was an instructor. The group also attended a High School Media Communications Seminar at LSU-S in January and visited Louisiana Tech University as guests of the Journalism Department in April. Several members of the staff served as correspondents to Shreveport's newspapers, incorporating high school journalism with professional journalism.

Staffers Help Finance Newspaper

Working on layouts and selling advertisements kept the five HERALD Ad staffers busy. My job was to teach the new members the layout techniques and to keep the bookkeeping as well. Senior staffer Melissa Powell worked on the ad layouts with the assistance of juniors Susan Kern and Pam Ebarb. Tuijuanna Mitchell gained her sister's position of mailing editor. She addressed and mailed a copy of the paper to each advertiser.

Advisor Mrs. Susan Robinson supervised the staff and kept everyone busy on "panic day" and again helped keep the HERALD a winning tradition.

Choirs Provide Entertainment at Castle

Most of the members of A Cappella Choir eagerly developed their voices because they wanted to show their peers the fruits of a developed voice. The choir consisted of three tenors, five basses, ten sopranos, and twelve altos.

Par Excellence described the Chamber Choir of 1977-78. Each member had spent anywhere from two to four years training his or her voice in the graduated program of the Woodlawn High School Choral Department. In addition 42 medals were awarded for superior performances in the Solo and Ensemble and the District Festivals.

Beginners Choir practiced and developed the art of singing in an informal setting. It was truly an informal choir that gave credence to pure, basic vocal art forms.

The Bass-Tenor Ensemble progressed from a beginner group to its present state — a prestigious choir. The ensemble performed for the Northwest Louisiana School, Queensboro, Huntington, the Grambling Choral Festival, and the District and State Festivals of Louisiana.

Students went through many changes during their high school years. The daily activities helped each person mature in preparation for their future life after graduation.

The Knight Light shined through the spirit shown by each student as he participated in Castle happenings.

The Staff of the 1978 ACCOLADE would like to thank the following businesses for supporting the Knights and making it possible to have this yearbook. We hope that you will support these businesses because they are the ones that keep the lights of Shreveport shining.

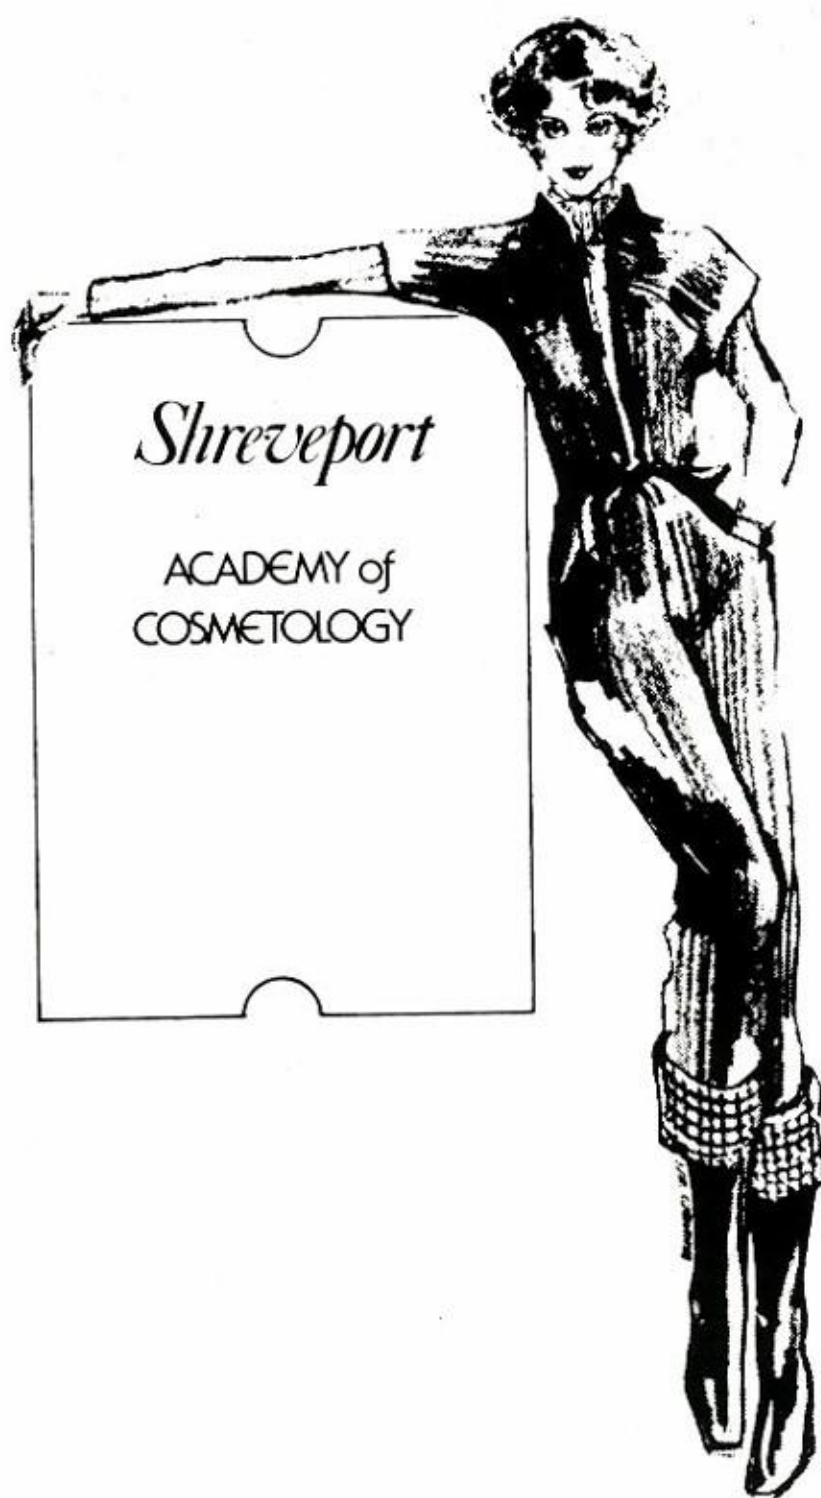

A black and white illustration of a spotlight. The spotlight is positioned in the lower right corner, angled upwards and to the left. A bright beam of light emanates from the lens, illuminating a large white rectangular area that occupies the upper left portion of the page. The word "patrons" is printed in a simple, lowercase, sans-serif font within this illuminated area.

Dear Teenager,

Why walk alone? I want to introduce you to two friends who love you and want you. The first is Jesus! He died a sinner's death on Calvary's cross for you. He wants you to accept Him as your personal Saviour and spend eternity with Him in Heaven. If you do, He promises never to leave you or forsake you! What a Friend!

I also want you to meet Calvary Baptist Church. It truly is a friend to teenagers. Shreveport's most aggressive youth program is here and you can find many opportunities to grow and serve. Jesus Christ and Calvary Baptist Church love you and want you.

Western Electric

Can you envision what your life would be like without a telephone? How would you make arrangements for the big ballgame? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become a necessary part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark-La-Tex leaders. Only through a quality education can you be prepared to assume this position.

As John Denver puts it in "The Eagle and the Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees — some of whom attended Woodlawn High School — have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.

Editor and Staff Express Thanks

As Editor-in-Chief, I would like to express my sincere appreciation to those who made my job easier. Thanks to Heritage House of Photography for their excellent photography, to Mrs. Jeanette Collins and the ad staff for financial aid, and to the patrons who supported the book.

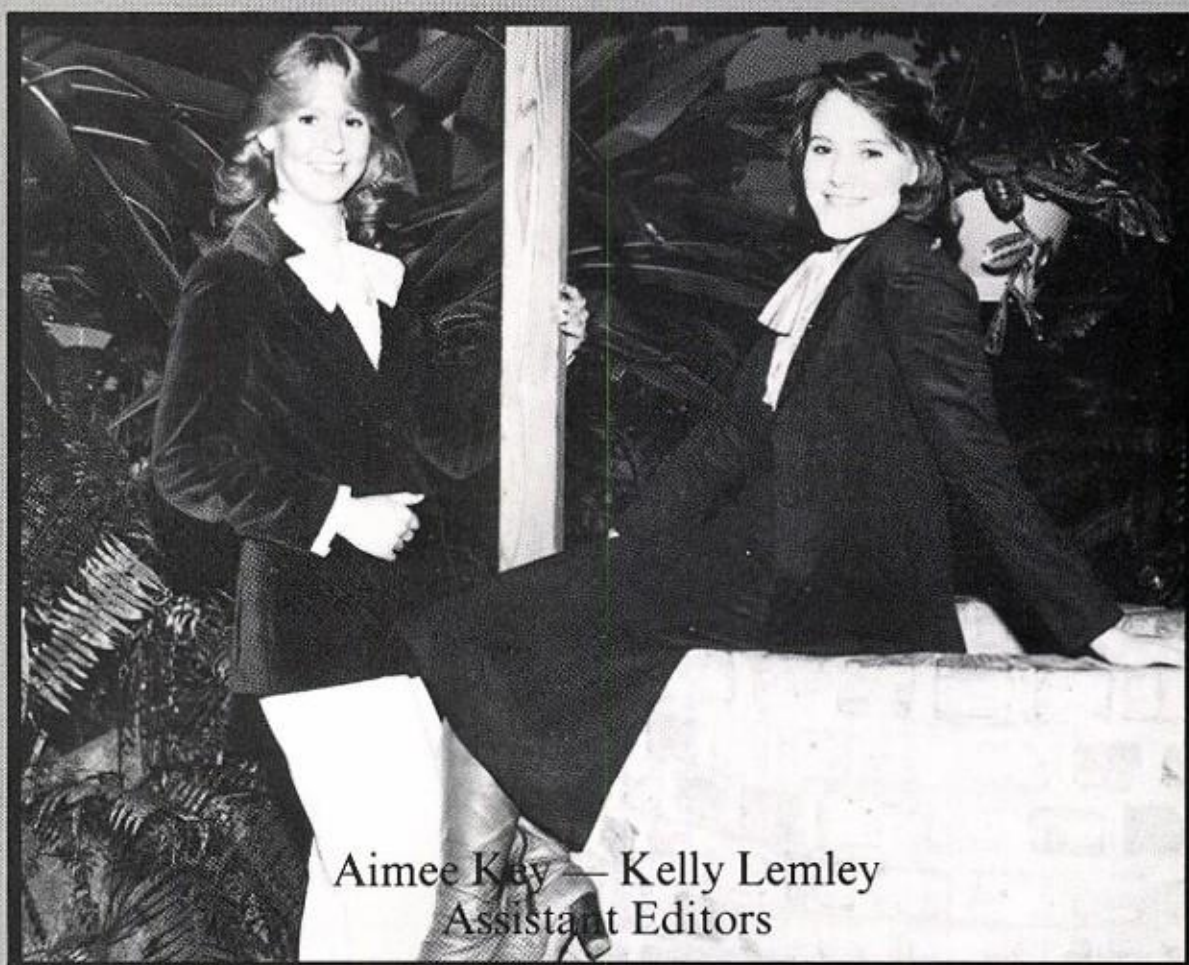

I am especially grateful to Kelly Lemley and Aimee Key for their support, to the rest of the staff for the fantastic job they did, and especially to Miss Linda Loper and Mrs. Elaine White for keeping us on our toes.

Finally, I want to say 'thank you' to everyone who had enough faith in us to purchase a yearbook. I hope our job pleases each of you.

lingering memories

Upon leaving Woodlawn all seniors carried with them many cherished memories. They remembered good times — friendships, good grades, football games, pep rallies — and also a few bad times — parking tickets, lunches, progress reports, suspensions. When leaving high school, they took a large part with them.

The halls of Woodlawn were once again silenced for a summer. They eagerly looked forward to fall when there would be new faces who would become a part of the Knight Light.

looking ahead

Marty Moss

With high school days fading into the past, the 1977-78 student body began to look toward the future. They each set goals for themselves and started planning to reach these goals. With their years at Woodlawn as a firm foundation, each person began to live up to his ambitions and dreams of a better city, country, and world.
